#### Osteria di Torre a Cona

Località Torre a Cona, 49 - Rignano sull'Arno

Torre a Cona offers both a landscape and architecture of charm and seduction: an 18th-century villa, overlooking a natural parapet about 400 m above sea level, dedicated to wine, hospitality and catering. The restaurant offers a very precise concept of cuisine, which combines the savoir-faire of two renowned chefs, Maria Probst and Cristian Santandrea, with the philosophy that guides the entire property: simple elegance, contemporaneity and nature.

Ingredients of the highest value and a lot of Tuscan flavour complete, therefore, a noteworthy package in the foothills of Florence.
